Championship Entries

Entries are welcomed from all clubs with an HQ within the three counties of Berkshire, Buckinghamshire and Oxfordshire. If your club has not entered the BBO before or has missed the last few years, why not put an entry in this year and support one of the oldest Cross Country Championships in the country.

The entries and results will again be handled by Dene Stringfellow. The entry documentation for the 2022 Championships will be posted on the BBO's website and distributed to clubs via the mailing list shortly.
