Advance Notice

2024 Berks, Bucks and Oxon Cross Country Championships

The next BBO Cross Country Championships are scheduled to be held at Broughton Castle near Banbury in Oxfordshire on Sunday, 17th November 2024.

The event will be organised by the BBO Association Committee and will be looking for support from clubs to provide volunteers in order to allow the Championships to go ahead. Entry details will be sent out in mid-September as usual.

The Association would be grateful if this event could be added to your club fixture list.

We look forward to seeing your club at this year's event.

Kind Regards

Lynne Nike
Secretary
